

Meeting Minutes

##10-1-15 @4:45:00pm##

Discussion Notes:

Action Items brought to the table:

- Update docs
- Jira up and running – Blocked by firewall
- Initial code stack set up... - Not Started

Action Items to work on for next meeting

- Update Docs
- Finish Jira and update with stories
- Get “Hello world” like application going with stack

Other Notes:

We decided not to meet this coming Thursday since we have stacks we need to work on

Talked to Crk about now being able to access Kira server remotely. Possible problems is with hardware firewall that the vm is running on. He contacted Greg.

Jira server is running <http://vm-09.cs.siue.edu:8180>
