Meeting Minutes

##9-17-15 @2:00pm##

Discussion Notes:

Action Items brought to the table:

- Project Spec Rough Drafts
  - Finished:
    - Nate
    - Dylan: Half finished
    - Spencer
-

Action Items to work on for next meeting

- Power Point Slides
  - Nate works on Risks
  - Spencer works on Core Functionality
  - Dylan works on Quality Portion
- Project Backlog
  - Dylan made template
  - Everyone work off template to add backlog items
- Project Spec
  - Everyone work more on their drafts
- Email Crk before meeting
- Meetup Monday Sept 21st to bring everything together

Other Notes:

Jira setup is going slower than intended. Need to demo SonarQube for Crk
